

# Meacham

This tour will take you up old Highway 30, east of Pendleton, where we will climb from 1150 feet in elevation to 4300 feet. The winding road from the foothills of the Blue Mountains to Dead Mans Pass Rest Area is a wonderful Model A driving road with 10, 20 mile an hour switchbacks! Fun to drive, and a fantastic view! We will cross over I-84 and go past Emigrant State Park, where we will have lunch on the way back, then stop for a few minutes at Meacham for a quick potty break, a look in the Cafe/Store, then on to the Oregon Trail Interpretive Center. After a visit, we will then backtrack to Emigrant State Park for a nice catered lunch. The Old Highway is always a nice drive. Keep your eyes peeled for Elk and Deer along the way! All roads are paved.
