

Rough Rider Tour

If you like the outdoors and like to drive your Model A on roads it was built for, this tour is for you! Rough roads, wet roads, gravel roads, steep roads, narrow roads, and no roads! This ain't no sissy tour! It ain't for paint! In fact it might scratch your paint! We'll travel in the foothills and timber of the Blue Mountains just south of Pendleton. We'll go through some beautiful country! We'll see Deer, Elk, maybe even a bear if we're lucky. And Bigfoot is just around the next corner! We'll stop for a catered lunch at Scott and Bonnie Sager's cabin, where they live year round. They are wonderful hosts!

Only two rules for this tour, NO WHINING and KEEP THE RIG BEHIND YOU IN SITE!! Expect to work on your own rig, cause the rest of us might be too busy looking over the country side! OK, we'll make sure you get going again, but if you don't know how to fix your problems, maybe this tour ain't for you, so make sure your rig is in good condition! Brakes, tires, steering, all very important! We will have a drivers/safety meeting before we leave camp, and you WILL be there!

Drivers meeting will be at 0730 hours at the Remillard Rusty Bucket Ranch. We will depart at 0800 hours. Remember, if you're not at the Rusty Bucket Ranch 15 minutes early, you're late! And if you're late, you'll be doing push ups and get placed on KP duty!! **MOUNT UP ROUGH RIDERS!!**

All mileage is between changes as noted (Turns, merge, etc.)
All changes will be marked with signs.

The coordinates are as follows:
